

STEVIE WONDERLAND

SIR DUKE

Music is a world within itself,
with a language we all understand,
With an equal opportunity
for all to sing, dance and clap their hands
Just because a record has a groove
don't make it in the groove,
But you can tell right away at letter A
when the people start to move.

They can feel it all over,
They can feel it all over people
They can feel it all over,
They can feel it all over people,

AS

Verse 1 Cue

*Just as all that's born is new you know what I say
is true,
That I'll be loving you always.*

Chorus 1

Until the rainbow burns the stars out in the sky.
Until the ocean covers every mountain high.
Until the dolphin flies and parrots live at sea.
Until we dream of life and life becomes a dream.

Do you know that true love asks for nothing....

Verse 1 Cue

*Just as kindness knows no shame know through all
your joy and pain,
that I'll be loving you always.*

Chorus 2

Until the day is night and night becomes the
day.
Until the trees and seas just up and fly away.
Until the day that eight times eight times eight
is four,
Until the day that is the day that is no more!

I WISH

Chorus

I wish those days could come back once more
Why did those days e-ver have to go
I wish those days could come back once more
Why did those days e-ver have to go 'cos I love
them so

SIGNED SEALED DELIVERED

Chorus

Here I am baby,
Signed, sealed, delivered, I'm yours, babe,
Here I am baby,
Signed, sealed, delivered, I'm yours, babe,

I'M YOURS

Chorus

So I won't hesitate no more,
No more, It cannot wait
I'm sure;
There's no need to complicate
Our time is short
This is our fate
I'm yours!

POP MEDLEY 2018

I LOVE MY LIFE

Tether your soul to me
I will never let go completely.
One day your hands will be
strong enough to hold me.
I might not be there for all your battles,
but you'll win them eventually.
I pray that I'm giving you all that matters
so one day you'll say to me
I love my life.
I am powerful, I am beautiful, I am free
I love my life
I am wonderful, I am magical, I am me,
I love my life.

HUMAN

Maybe I'm foolish, Maybe I'm blind
Keep thinking I can see through this
and see what's behind.
Got no way to prove it so maybe I'm lyin'
But I'm only human after all,
I'm only human after all,
Don't put your blame on me
Don't put the blame on me.

Take a look in the mirror,
what do you see
Do you see it clearer or are you deceived
in what you believe
'Cos I'm only human after all,
You're only human after all,
Don't put your blame on me
Don't put your blame on me.

Some people got the real problems
Some people out of luck.
Some people think I can solve them
Lord heavens above!
I'm only human after all,
You're only human after all,
Don't put the blame on me
Don't put the blame on me.

PLAY THAT SONG

Hey Mister D. J. When you gonna spin it
my baby's favourite record she's been waiting for
a minute
She invited all her friends and I'm buying all the
rounds,
and they're all dolled up D. J. please dont let me
down
When you gonna play that song?
When you gonna earn that pay
When you gonna play that song and make my
day
She said Play that song.
The one that makes me dance all night long,
The one that makes me think of you.
That's all you gotta do eh eh eh
Play that song.
The one that makes me stay up till dawn,
The one that makes me go "ooh"
That's all you gotta do

HEROES

We go hideaway in daylight.
We go undercover when under sun.
Got a secret side in plain sight.
Where the streets are empty that's where we run.
Everyday people do everyday things,
but I can't be one of them.
I know you hear me now,
We are a different kind,
We can do anything.
We could be heroes
We could be heroes Me and you
We could be heroes
We could be heroes Me and you
We could be

CASTLE ON THE HILL

When I was six years old I broke my leg
I was running from my brother and his friends.
And tasted the sweet perfume of the mountain
grass as I rolled down.
I was younger then. Take me back to when.
I found my heart and broke it here,
made friends and lost them though the years.
And I've not seen the roaring fields in so long n' I
know I've come.
And I can't wait to go home.

I'm on my way.
Driving at Ninety down those country lanes.
Singing to Tiny Dancer and I miss the way you
make me feel it's real.
And we watched the sunset over the castle on
the hill
Oh over the castle on the hill Oh over the castle
on the hill
