ANYTIME YOU NEED A FRIEND - Chorus Only

Choruses 1&2

Anytime you need a friend
I will be here
Never be alone again
So don't you fear
Even if you're miles away
I'm by your side
Don't you ever be lonely
Love will make it ok

Chorus 3&4

Anytime you need a friend
I will be here
Never be alone again
So don't you fear
Even if you're miles away
I'm by your side
Don't you ever be lonely
It's alright
Anytime you need a friend
I will be here
Never be alone again
So don't you fear
Even if you're miles away
I'm by your side
Don't you ever be lonely
It's alright

THE CALL

It started out as a feeling,
which then grew into a hope,
which then turned into a quiet thought
which then turned into a quiet word.
And then that word grew louder and louder,
till it was a battle cry.
I'll come back when you call me.
No need to say goodbye.

Just because everything's changing,
doesn't mean it's never been this way before.
All you can do is try to know who your friends are
as you head off to the war.
Pick a star on the dark horizon and follow the light.
You'll come back when it's over,
No need to say goodbye.
You'll come back when it's over,
No need to say goodbye.

Now we're back to the beginning
it's just a feeling and no one knows yet.
But just because they can't feel it too
doesn't mean that you have to forget.
Let your memories grow stronger and stronger
till they're before your eyes.
You'll come back when they call you,
No need to say goodbye.
You'll come back when they call you.
No need to say goodbye.

YOU'RE IN THE BAND

Take a hold of your axe, and try to pluck out this riff.
Let your shoulders relax, You don't wanna be so stiff.
Keep on going don't stop,
Take it over the top,
Squeeze out every last drop,
Make each note really pop!
Give it one final wop and yes!
You're in the band

Turn a cello this way and it's practically like a bass.
Pop the strings when you play and watch how you shred my face!
Keep on rocking its note,
Grab it right by the throat,
Keep the rhythm afloat,
Don't forget to emote,
And that's all that she wrote,
Baby You're in the band

If you play the piano, You can play the keys.
So just loosen it up, and strut your expertise.
Take a look at this music, and let your mind expand.
You're in the band

Sit your butt at the skins, then try to whack out a beat.
Feel the groove in your pins then slowly turn up the heat.
With a Rat-a-tat tat on the bass and hi-hat,
Make it juicy and fat,
Yes exactly like that!,
And now shut it down flat:
You're in the band!

Do do do do do do do do do do do do do do do do
do do do do do do do do do do do do do do do
