Dear Parents,

Parental Permission for specific activities within the School Curriculum.

From time to time we use photographs to record specific events that happen at school. Sometimes other children may receive copies of group photos in which your child may appear. This can include your child's participation in a sports team or sporting occasion, an educational visit or in a display of special academic work. Additionally, your child may also be included in a live digital recording for a special event, such as a school production, taken by school staff or parents.

Please sign and return the permission slip attached as a record that you agree to your child being included in photographs and digital recordings at school. By signing the permission form you are also agreeing to the other key areas. Keeping records of parental permission in these areas is now a recognised safe practice in school.

Please note there is a copy of this letter on the school website.

Yours sincerely,

Helen Crolla
