

Benson CE Primary School Sports Funding Review of Expenditure 2016-2017

The Sports grant aims to help our pupils to improve core skills whilst developing healthy lifestyles and positive attitudes. Sport is a strength of the school.

This year, the school budget includes £21,120 which is allocated for sport related activities and initiatives. Within the SDP, sport sits under the priority for high quality teaching and learning. The school aims to offer a broad and balanced curriculum, for the enjoyment of all.

The Governing Body has carried out a Sports Review, to gather parent and pupil attitudes. This has provided evidence for the this summary and is available upon request.

Academic Year: 2016 / 2017		Total fund allocated: £ 8,850					
A	B	C	D	E	F	G	H
PE and Sport Premium Key Outcome Indicator	School Focus/ planned <i>Impact on pupils</i>	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps

The following evidence has been gathered to provide School Leaders with the impact of the Sports premium on pupils and their health:

Pupil Interviews

Governor Sport Review

Self Evaluation of SDP by Teaching Team

Regular Engagement: A key development this year includes Wake Up, Shake Up for the whole school community, every Friday before school.

The wide variety of clubs has continued with dance, tag rugby, football, gymnastics and a new running club. Where children are from disadvantaged backgrounds, the school attempts to find places at clubs. There are a range of free and paid clubs to enable inclusion. The new PE Co-ordinator has worked with the Clubs Co-ordinator to review the progression of skills across the curriculum and address gaps in pupil knowledge. Younger children in Reception have also built on their gross motor skills through weekly PE lessons. This has led to greater independence for children in the early years. As a result of the Race For Life Charity 5k run, the school community raised £5000 and facilitated all pupils to take part. This enabled enjoyment, built stamina and exercise. Nursery children participated in an obstacle course so that they were included.

An annual Sports Assembly celebrates the achievements for all pupils within sport and highlights the school's success within competitive tournaments.
